# FOREWORD

*Brotherhood, peace, and love are the cries of today's generations. Barriers among peoples of the world have crumbled as the people are discovering their common bonds.*

*And so we of Mount Markham Central School have dissolved our former barriers as we realize our likenesses of principles and goals. We are striving to coordinate our efforts toward a destiny of peace and true brotherhood.*

*Portrayed in this chronicle are the steps of such a synthesis as the students of Mount Markham Central School "GET TOGETHER!"*

## *Dedication*

*Dear Parents of the Class of 1970:*

*At last we have arrived at our senior year—a year of decisions and anxieties, enjoyment and excitement. Now, while we pause to recollect the memories of our school years, we consider what role you, our parents, have played in the molding of our characters.*

*We remember our elementary school years—when you bundled us in snowsuits and mittens—when you faithfully attended our school activities—when you provided us with lunch money or goodies for snacktime. Then junior high and high school—when you tutored us in a difficult algebra or science unit—when you chauffeured us to frequent dances or games—when you guided us through difficult times.*

*Yes, parents, you have been chauffeurs, tutors, benefactors, and counselors. But you have been much more—you have been that powerful force which has made us the type of young adults that we are today. Thus, to express our gratitude, we, the Class of 1970, dedicate the 1970 Zodiac to our parents.*

*Respectfully,*

*Class of 1970*

*“He who remembers the benefits of his parents is too much occupied with his recollections to remember their faults.”*

—Beranger

## *In Appreciation of Our Teachers*

*"The close observer soon discovers that  
the teacher's task is not to implant facts  
but to place the subject to be learned  
in front of the learner and, through sympathy,*

*emotion, imagination, and patience to awaken in the learner the restless drive for answers and insights which enlarge the personal life and give it meaning."*

*Nathan Pusey*

### HELGA ZUNA

*While David Tanney and Debbie Prior are investigating the Bolivian culture, Helga Zuna has ventured to our area. Helga, from Santa Cruz, Bolivia, arrived in West Winfield in mid-July for a year's sojourn in the United States. She has actively participated in many area events and we hope she will return to Bolivia with a year of enjoyable memories behind her.*

# Senior Officers and Advisors

ADVISORS—Mr. Walker; Mrs. Pixley; Mrs. Pritchard; Mrs. Stuart; Mr. Seeber. OFFICERS—K. Munson, Treasurer; D. Lupinski, Secretary; W. Bond, President; B. Wratten, Vice President.

Although graduation is a major concern of the Senior class, the final year of our high school career has been filled with a multitude of activities.

Oct. 31-Nov. 1

As sponsor of Fall Weekend we enjoyed viewing a parade of floats, emphasizing class creativity. The Saturday football game against Richfield proved to be another spectacular achievement. A dance closed the weekend with Junior, Mary Kujawski, reigning as Queen and Sophomore, Vicki Slosek as Princess. Football player Tom Pollard was declared King and soccer player Joe Montgomery was Prince.

Feb. 13-14

Winter Weekend with an ALICE IN WONDERLAND theme displayed itself as another delightful memory of the Class of '70. A Friday afternoon pep-assembly started the festivities, as six semi-finalist club princesses vied for the title of Queen of Winter Weekend. Saturday morning had an early awakening as classes began sculpturing "Wonderland" at seven a.m. The afternoon was filled, as each class struggled to win the weekend. The events included toboggan races, ski relay races, softball games, snowball throwing contests, bucket races, etc. Saturday evening, dance goers stepped "through the looking glass." Here was announced that Twiddle-Dum and Twiddle-Dee, the Seniors' sculpture, ranked first place, the Juniors' Cheshire Cat followed second, with the Freshman's Red Queen as third and Sophomore's Humpty-Dumpty fourth. Also, the Seniors were declared the Weekend winners for having accumulated the most points. Sophomore, Sandy Will was deemed Queen of Winter Weekend with Senior Marlyn Frost as first runner up. Varsity basketball player, Bob Sherwood was named King and J.V. player Ed Wheeldon, Prince.

Other major issues of our senior career have included whether to have drapes or sweaters for girls' senior portraits, what type of graduation announcements to order, where to go on a senior trip, etc.

But no matter what experience, we are able to look back on 1969-70 and remember good times, laugh at misfortunate incidents and surge forward with hope.

"Soccer is the easiest sport to score on an opposing team. We had several veterans from last year and plenty of beginners, but they were all out to play soccer. Our team was built on both physical and scholastic ability. After a shakey start, our team went on to win most of their games. We are a fine, competitive, academic team. Pretty good record for a bunch of sophomores." These were the words of the coach, Mr. Engle.

## Varsity Football

The Mt. Markham Football team completed its first season with a 6-1-1 record. The Mustangs, considered one of the best defensive teams in the area, held their opponents to only 37 points in eight games and scored 187 themselves. Our team led on the field by three senior captains: Tom Pollard, Mike Mahon, and John Ball; put on its best showing of the season at Homecoming Weekend. They overwhelmed their old rival, Richfield Springs, by a score of 56-7. The Mustangs finished third in the Center State Conference and fourth in the area ratings. This year's team consisted of six seniors; the three mentioned above and Steve Bergloff, Paul Cook, and Ki Wells.

"You will practice even when school is out" are the words of J. V. Coach Roger Clark. "There is never a time when practice can hurt you. We have worked hard and long to keep the winning spirit."

This spirit of perseverance triumphed throughout the basketball season to create a victorious junior varsity squad.
